UNLOCK YOUR POTENTIAL RESEARCH SCHOLARSHIP

Are you looking to fund your innovative research idea? Do you want to grow both professionally and personally? As the world's leading management consulting firm, we sponsor highly talented university students by providing them with a financially attractive scholarship. Unlock your potential with us!

We want to support the research projects of exceptional talents being conducted in the scope of a bachelor's, master's, or PhD degree. Students with outstanding academic performance of various backgrounds and disciplines are eligible. Are you also interested in the consulting business and good at solving problems, communicating, and leading people?

If yes, then this is the perfect opportunity for you! If you are selected for the scholarship, you will receive funding for your research project, and you may even secure a graduate position with the world's fastest-growing premium management consultancy.

Interested? Please apply with your CV, a cover letter, transcripts, and reference letters. Remember to state both your research idea and personal motivation for the scholarship in your cover letter.

Please apply by February 4, 2018 at:
<http://on.bcg.com/swiss scholarship>

We look forward to receiving your application!
