THE BOSTON TEA PARTY

OCTOBER 11

Our annual Boston Tea Party is the perfect setting for you to connect with BCG consultants, our recruiting team, and university peers over a relaxed flying dinner.

Daniel Kessler, BCG Switzerland's CEO, will provide you with an insider's perspective on the future of strategy consulting. He will share insights into BCG's global context and outline our own strategic challenges. At BCG, we want to drive change, anticipate future challenges and help companies be prepared—including ourselves. Are you ready to join us?

We are looking forward to an evening full of discussions, inspiration and fun.
Upload your CV by October 3: <https://on.bcg.com/bostonteparty2018>

Please note that only students from the University of St. Gallen in their third semester or higher can apply.

Let's meet on October 11!
