# M&A WORKSHOP FEEL THE DEAL

Discover the full extent of mergers and acquisitions with BCG—from the initial idea to closing the deal. Based on a real BCG case study, you will gain insights into a live transaction and be inspired to apply your knowledge in a broader corporate finance context.

Grab the chance to connect with BCG consultants working in Corporate Finance & Strategy, Private Equity and the Transaction Center, as well as 60 students from top European universities.

Are you studying finance, economics, business, or similarly quantitative subjects? Do you have an affinity for either corporate finance, strategy or

private equity, demonstrated through studies or extracurricular activities? Apply to join us in a French château for the 11th edition of our Corporate Finance Unlimited workshop, from March 12 to 14.
