

Together with the MBF Women Club, we warmly invite you to take part in an exciting female exclusive event on the topic of „Sustainable Finance“. We will discuss the role of the financial sector in the transition to a sustainable future and share some common sustainable investment strategies.

All masters students from HSG are invited to participate with an affinity for Financial Services. Interested? Please find further information on how to sign up on our joinbain.ch website.

We are looking forward to meeting you!
