ASPIRE WOMEN'S WORKSHOP

October 18 - 21

BCG ASPIRE Women's Workshop is a 4-day virtual event where over 85 talented women from Europe, Africa, Middle East and South America get to meaningfully engage with each other, explore consulting and connect with BCGers from around the world. Each day will be an exciting mix of inspiring keynotes, masterclasses, case workshops, fun activities and networking. ASPIRE attendees will get the opportunity to develop their leadership and communication skills, while getting a taste of what it's like to be a consultant at BCG.

Applications are open to university students (undergraduate, master's, or PhD programs) who self-identify as women. We are looking for students from all fields of study, with an outstanding academic track record, and a curious mind seeking new challenges.

For more information or simply apply here by August 22: bcg-events.com/aspire

See you there!
